

Molina Medicare

Important Update on Molina Medicare Plans for 2025

For the 2025 plan year,

Molina is only offering Dual Medicare-Medicaid (D-SNP) plans. If you were previously enrolled in a Molina HMO Medicare plan in Washington state, please be aware that Molina has exited that market.

If you need to enroll in an active Medicare plan, please contact me immediately to explore your options and ensure you have continuous coverage.

If you are currently on a Molina Dual Medicare-Medicaid plan, you may be missing out on valuable Over-the-Counter (OTC) benefits. For assistance in accessing these benefits, contact Molina Customer Support or reach out to me to explore other available Dual Medicare-Medicaid plans.
