

Regence Blue FlexDollars™

2025 Over-the-counter (OTC) Item Catalog

Important Information

Please keep this catalog for your entire 2025 benefit year.

Your over-the-counter (OTC) allowance is offered at the beginning of each calendar quarter. Please refer to your plan benefit materials to confirm your quarterly allowance amount.

If your order total exceeds your allowance amount, you will need to use a personal debit or credit card to cover the remaining balance. Cash, checks, or money orders are not accepted under this benefit.

Any quarterly allowance not used is forfeited at the end of each calendar quarter. Be sure to use your full allowance each calendar quarter as you cannot use or combine future allowance amounts.

If you place your order using an order form, your order total will be applied to the month in which we receive your form. For example, if you mail your order form on June 29, but we receive it on July 1, your order total will be applied to your July allowance, not your June allowance. If the end of the calendar quarter is approaching, you can order online or call **Flex Card Services 1-866-228-7001 (TTY: 711).**

Online orders must be placed prior to midnight Mountain Time (MT) on the last day of the calendar quarter or you will forfeit your allowance.

You will receive free shipping directly to your door on items ordered from this catalog online at BlueFlexDollars.com, by phone or by mail. Please allow 7-10 business days for shipping. Call Flex Card Services if an order does not arrive. Items shipped to a physical address ship via FedEx. PO Boxes are shipped via USPS.

Returns are not accepted.

If you receive a damaged product, please call Flex Card Services. This product will be exchanged for an identical product at no cost to you. Please note that only damaged items can be exchanged within 30 days of purchase, no returns are allowed.

The website is available 24/7, unless down for maintenance. Flex Card Services is available to answer questions and to take orders by phone 8 a.m. to 8 p.m. PT/MT Monday through Friday.

This information is available for free in other languages. Please call Flex Card Services if you require this document in an alternate format, such as large font, Braille, or audio.

Welcome

As a Regence Medicare Advantage member your plan includes an over-the-counter (OTC) allowance every calendar quarter. You can use your quarterly allowance to buy Medicare-approved non-prescription OTC health and wellness items like vitamins, sunscreen, pain relievers, cough and cold medicine, bandages and more. You can also buy approved home and bathroom safety devices.

Your OTC allowance is loaded to your Blue FlexDollars card on the first day of each calendar quarter. Your allowance does not roll over. Funds not used prior to midnight Mountain Time (MT) on the last day of the calendar quarter will be forfeited.
